OUR STORY

Go4® is a brand for 100% bio-organic certified foods. We have a modern production facility where animal ingredients are never used

Go4® ingredients come from the best certified organic foods. The production process is monitored from the garden to the packaging to ensure the highest possible quality at a good price.

We are producing one of the healthiest bio-organic products in the world with bio certified ingredients – grade A.

Award winning products from Food Expos in Europe. Go4® is a winner in the category best new special diet product of Natural & Organic Awards Europe 2017 and Biofach. The raw crackers and bars have become a star product of health food exhibitions worldwide.
